

Tentorium Ivdorvm / instrumentorvm scaenicorvm

Tentorium Ivdorvm belongs to the organisational support area and serves as a storage tent intended for keeping the equipment used during the organisation of the Games. Supervision of the tent is held by the **Optio Ivdorvm**, who is responsible for coordination and for maintaining order in regard to the equipment used for the Games.

NOTE! (I forgot how to add those red rectangles) Entry to the tent without permission from the **Optio Ivdorvm** is strictly forbidden. Any violation of the rules will be severely punished.
